

With effect from January 01, 2011, Know Your Customer (KYC) norms are now mandatory for ALL applicants/investors (including existing investors and joint holders) to make investments in mutual fund irrespective of the amount of investment.

Already KYC Compliant?

All investors whose KYC Status is not updated with us should submit the KYC Acknowledgement letter alongwith a list of folio(s) belonging to them. Customers can also send us an email on service@dspblackrock.com mentioning their folio numbers and attaching the scanned image of KYC acknowledgement received from CVL.

After verification, the KYC status shall be updated w.r.t the said folio(s) and investors shall be able to invest in schemes without any hindrances.

Please download the KYC form as applicable to you.
