SECTION IV - INTRODUCTION

A. RISK FACTORS

Standard Risk Factors:

- Investment in mutual fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk, including the possible loss of principal.
- As the price / value / interest rates of the securities in which the Scheme invest fluctuates, the value of your investment in the Scheme may go up or down. In addition to the factors that affect the value of individual investments in the Scheme, the NAV of the Scheme can be expected to fluctuate with movements in the broader equity and bond markets and may be influenced by factors affecting capital and money markets in general, such as, but not limited to, changes in interest rates, currency exchange rates, changes in Governmental policies, taxation, political, economic or other developments and increased volatility in the stock and bond markets.
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.
- The name of the Scheme does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- The Sponsors are not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 1 lakh made by them towards setting up the Mutual Fund.
- The present Scheme is not a guaranteed or assured return Scheme.

Scheme Specific Risk Factors

- The Scheme intends to predominantly invest in BGF – WEF and BGF - NEF. The Scheme may also invest, at the discretion of the Investment Manager, in the units of other similar overseas mutual fund schemes, which may constitute a significant part of its corpus, and a certain portion of its corpus in money market securities and or units of money market/liquid schemes of DSP BlackRock Mutual Fund. Hence, scheme specific risk factors of such underlying schemes will be applicable. All risks associated with such schemes, including performance of their underlying stocks, derivative instruments, stock-lending, off-shore investments etc., will therefore be applicable in the case of the Scheme. Investors who intend to invest in the Scheme are required to and deemed to have understood the risk factors of the underlying schemes.

Risk associated with underlying schemes

- **Credit Risk & Market Risk:** To the extent that the underlying schemes invest in corporate debt securities, they are subject to the risk of an issuer's inability to meet interest and principal payments on its debt obligations (credit risk). Debt securities may also be subject to price volatility due to factors such as changes in credit rating, interest rates, general level of market liquidity and market perception of the creditworthiness of the issuer, among others (market risk).
- **Term Structure of Interest Rates (TSIR) Risk:** To the extent that the underlying schemes are invested in fixed income securities, the NAV of the Units issued under the Scheme is likely to be affected by changes in the general level of interest rates. When interest rates decline, the value of a portfolio of fixed income securities can be expected to rise. Conversely, when interest rates rise, the value of a portfolio of fixed income securities can be expected to decline.
- **Liquidity Risk on account of investments in international funds:** The liquidity of the Scheme's investments may be inherently restricted by the liquidity of the underlying schemes in which it has invested.

• **Expense Risks associated with investments in international funds:** The Investors shall bear the recurring expenses of the Scheme in addition to those of the underlying schemes. Therefore, the returns that they may receive may be materially impacted or may, at times, be lower than the returns that the investors directly investing in the underlying schemes could obtain.

• **Portfolio Disclosure Risks associated with investments in international funds:** The disclosures of portfolio for the Scheme will be limited to the particulars of the underlying schemes and money market securities where the Scheme has invested. Investors may, therefore, not be able to obtain specific details of the investments of the underlying schemes.

• **Investment Policy and/or fundamental attribute change risks associated with investments in international funds:** Any change in the investment policies or fundamental attributes of any underlying scheme is likely to affect the performance of the Scheme.

• **Currency Risk:** Investments in BGF – WEF and BGF - NEF and other similar overseas mutual fund schemes are subject to currency risk. Returns to investors are the result of a combination of returns from investments and from movements in exchange rates. For example, if the Rupee appreciates vis-à-vis the US\$, the extent of appreciation will lead to reduction in the yield to the investor. However, if the Rupee appreciates against the US Dollar by an amount in excess of the interest earned on the investment, the returns can even be negative. Again, in case the Rupee depreciates vis-à-vis the US\$, the extent of depreciation will lead to a corresponding increase in the yield to the investor. Going forward, the Rupee may depreciate (lose value) or appreciate (increase value) against the currencies of the countries where the Scheme will invest.

• **Country Risk:** Country risk arises from the inability of a country to meet its financial obligations. It is the risk encompassing economic, social and political conditions in a foreign country which might adversely affect the interests of the Scheme.

Special Risk Considerations related to BGF – WEF and BGF - NEF:

Investors must read these special risk considerations. This section contains explanations of some of the risks that apply to **BGF – WEF and BGF - NEF**.

(a) Emerging Markets

The following considerations, which apply to some extent to all international investments, are of particular significance in certain smaller and emerging markets. Funds investing in equities may include investments by BGF – WEF and BGF - NEF in certain smaller and emerging markets, which are typically those of poorer or less developed countries which exhibit lower levels of economic and/or capital market development, and higher levels of share price and currency volatility. The prospects for economic growth in a number of these markets are considerable and equity returns have the potential to exceed those in mature markets as growth is achieved. However, share price and currency volatility are generally higher in emerging markets.

Some governments exercise substantial influence over the private economic sector and the political and social uncertainties that exist for many developing countries are particularly significant. Another risk common to most such countries is that the economy is heavily export oriented and, accordingly, is dependent upon international trade. The

existence of overburdened infrastructures and obsolete financial systems also presents risks in certain countries, as do environmental problems. Certain economies also depend to a significant degree upon exports of primary commodities and, therefore, are vulnerable to changes in commodity prices which, in turn, may be affected by a variety of factors.

In adverse social and political circumstances, governments have been involved in policies of expropriation, confiscatory taxation, nationalization, intervention in the securities market and trade settlement, and imposition of foreign investment restrictions and exchange controls, and these could be repeated in the future. In addition to withholding taxes on investment income, some emerging markets may impose different capital gains taxes on foreign investors.

Generally accepted accounting, auditing and financial reporting practices in emerging markets may be significantly different from those in developed markets. Compared to mature markets, some emerging markets may have a low level of regulation, enforcement of regulations and monitoring of investors' activities. Those activities may include practices such as trading on material non-public information by certain categories of investor.

The securities markets of developing countries are not as large as the more established securities markets and have substantially less trading volume, resulting in a lack of liquidity and high price volatility. There may be a high concentration of market capitalization and trading volume in a small number of issuers representing a limited number of industries as well as a high concentration of investors and financial intermediaries. These factors may adversely affect the timing and pricing of BGF – WEF and BGF – NEF's acquisition or disposal of securities.

Practices in relation to settlement of securities transactions in emerging markets involve higher risks than those in developed markets, in part because BGF – WEF and BGF - NEF will need to use brokers and counterparties which are less well capitalized, and custody and registration of assets in some countries may be unreliable. Delays in settlement could result in investment opportunities being missed if BGF – WEF are unable to acquire or dispose off a security. The custodian of BGF – WEF and BGF - NEF is responsible for the proper selection and supervision of its correspondent banks in all relevant markets in accordance with Luxembourg law and regulation.

In certain emerging markets, registrars are not subject to effective government supervision nor are they always independent from issuers. The possibility of fraud, negligence, undue influence being exerted by the issuer or refusal to recognise ownership exists, which, along with other factors, could result in the registration of a shareholding being completely lost. Investors should therefore be aware that BGF – WEF and BGF - NEF could suffer losses arising from these registration problems, and as a result of archaic legal systems BGF – WEF and BGF - NEF may be unable to make a successful claim for compensation.

While the factors described above may result in a generally higher level of risk with respect to the individual smaller and emerging markets, these may be reduced when there is a low correlation between the activities of those markets and/or by the diversification of investments within BGF – WEF and BGF - NEF.

Investments in Russia are currently subject to certain heightened risks with regard to the ownership and custody of

securities. In Russia, this is evidenced by entries in the books of a company or its registrar (which is neither an agent nor responsible to the custodian of BGF – WEF and BGF - NEF). No certificates representing ownership of Russian companies will be held by the custodian of BGF – WEF and BGF - NEF or any correspondent or in an effective central depository system. As a result of this system and the lack of state regulation and enforcement, BGF – WEF and BGF - NEF could lose its registration and ownership of Russian securities through fraud, negligence or even mere oversight.

BGF – WEF and BGF - NEF, investing directly in local Russian stock, will limit their exposure to no more than 10% of their respective Net Asset Value, except for investment in securities listed on either the Russian Trading Stock Exchange or the Moscow Interbank Currency Exchange, which have been recognised as being regulated markets.

(b) Sovereign Debt

Certain developing countries are especially large debtors to commercial banks and foreign governments. Investment in debt obligations ("Sovereign Debt") issued or guaranteed by developing governments or their agencies and instrumentalities ("governmental entities") involves a high degree of risk. The governmental entity that controls the repayment of Sovereign Debt may not be able or willing to repay the principal and/or interest when due in accordance with the terms of such debt. A governmental entity's willingness or ability to repay principal and interest due in a timely manner may be affected by, among other factors, its cash flow situation, the extent of its foreign reserves, the availability of sufficient foreign exchange on the date a payment is due, the relative size of the debt service burden to the economy as a whole, the governmental entity's policy towards the International Monetary Fund and the political constraints to which a governmental entity may be subject. Governmental entities may also be dependent on expected disbursements from foreign governments, multilateral agencies and others abroad to reduce principal and interest arrearage on their debt. The commitment on the part of these governments, agencies and others to make such disbursements may be conditioned on a governmental entity's implementation of economic reforms and/or economic performance and the timely service of such debtor's obligations. Failure to implement such reforms, achieve such levels of economic performance or repay principal or interest when due may result in the cancellation of such third parties' commitments to lend funds to the governmental entity, which may further impair such debtor's ability or willingness to service its debt on a timely basis. Consequently, governmental entities may default on their Sovereign Debt. Holders of Sovereign Debt, including BGF – WEF and BGF - NEF, may be requested to participate in the rescheduling of such debt and to extend further loans to governmental entities. There is no bankruptcy proceeding by which Sovereign Debt on which a governmental entity has defaulted may be collected in whole or in part.

(c) Restrictions on Foreign Investment

Some countries prohibit or impose substantial restrictions on investments by foreign entities such as BGF – WEF and BGF - NEF. As illustrations, certain countries require governmental approval prior to investments by foreign persons, or limit the amount of investment by foreign persons in a particular company, or limit the investment by foreign persons in a company to only a specific class of securities which may have less advantageous terms than securities of the company available for purchase by nationals. Certain countries may restrict investment opportunities in issuers or industries deemed important to national interests. The manner in which

foreign investors may invest in companies in certain countries, as well as limitations on such investments, may have an adverse impact on the operations of BGF – WEF and BGF – NEF. For example, BGF – WEF and BGF – NEF may be required in certain of such countries to invest initially through a local broker or other entity and then have the share purchases re-registered in the name of BGF – WEF and BGF – NEF. Re-registration may in some instances not be able to occur on a timely basis, resulting in a delay during which BGF – WEF and BGF – NEF may be denied certain of its rights as an investor, including rights as to dividends or to be made aware of certain corporate actions. There also may be instances where BGF – WEF and BGF – NEF place a purchase order but are subsequently informed, at the time of re-registration, that the permissible allocation to foreign investors has been filled, depriving BGF – WEF and BGF – NEF of the ability to make their desired investment at the time. Substantial limitations may exist in certain countries with respect to BGF – WEF and BGF – NEF's ability to repatriate investment income, capital or the proceeds of sales of securities by foreign investors. BGF – WEF and BGF – NEF could be adversely affected by delays in, or a refusal to grant any required governmental approval for repatriation of capital, as well as by the application to BGF – WEF and BGF – NEF of any restriction on investments. A number of countries have authorised the formation of closed-end investment companies to facilitate indirect foreign investment in their capital markets. Shares of certain closed-end investment companies may at times be acquired only at market prices representing premiums to their net asset values. If BGF – WEF and BGF – NEF acquire shares in closed-end investment companies, shareholders would bear both their proportionate share of expenses in BGF – WEF and BGF – NEF (including management fees) and, indirectly, the expenses of such closed end investment companies. BGF – WEF and BGF – NEF also may seek, at their own cost, to create their own investment entities under the laws of certain countries.

(d) Smaller Capitalisation Companies

Securities of smaller capitalisation companies may, from time to time, and especially in falling markets, become illiquid and experience short-term price volatility and wide spreads between bid and offer prices. Investment in smaller capitalisation companies may involve higher risk than investment in larger companies. The securities of smaller companies may be subject to more abrupt or erratic market movements than larger, more established companies or the market average in general. These companies may have limited product lines, markets or financial resources, or they may be dependent on a limited management group. Full development of those companies takes time. In addition, many small company stocks trade less frequently and in smaller volume, and may be subject to more abrupt or erratic price movements than stocks of large companies. The securities of small companies may also be more sensitive to market changes than the securities of large companies. These factors may result in above-average fluctuations in the Net Asset Value of the shares of BGF – WEF and BGF – NEF.

(e) Derivatives - General

BGF – WEF and BGF – NEF may use derivatives to hedge market and currency risk, and for the purposes of efficient portfolio management. The use of derivatives may expose BGF – WEF and BGF – NEF to a higher degree of risk. In particular, derivative contracts can be highly volatile, and the amount of initial margin is generally small relative to the size of the contract so that transactions are geared. A relatively small market movement may have a potentially larger impact on derivatives than on standard bonds or equities.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme/Plan shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/Plan(s). However, if such limit is breached during the NFO of the Scheme, the Mutual Fund will endeavour to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme complies with these two conditions. In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period.

C. SPECIAL CONSIDERATIONS

- Subject to SEBI (MF) Regulations, funds managed by the affiliates/associates of the Sponsor may invest either directly or indirectly in the Scheme and may acquire a substantial portion of the Scheme's Units and collectively constitute a majority investor in the Scheme. Accordingly, redemption of Units held by such funds may have an adverse impact on the value of the Units of the Scheme because of the timing of any such redemption and may impact the ability of other Unit Holders to redeem their respective Units.
- The time taken by the Mutual Fund for redemption of Units may be significant in the event of an inordinately large number of redemption requests or of a restructuring of the Scheme's portfolio. In view of this, the Trustee has the right, in its sole discretion, to limit redemptions under certain circumstances.
- Neither this SID and the SAI, nor the Units have been registered in any jurisdiction. The distribution of this SID in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of this SID in such jurisdictions are required to inform themselves about, and to observe, any such restrictions. No person receiving a copy of this SID or any accompanying application form in such jurisdiction may treat this SID or such application form as constituting an invitation to them to subscribe for Units, nor should they in any event use any such application form, unless in the relevant jurisdiction such an invitation could lawfully be made to them and such application form could lawfully be used without compliance of any registration or other legal requirements.
- Investment decisions made by the Investment Manager may not always be profitable.
- The Mutual Fund/AMC has not authorized any person to give any information or make any representations, either oral or written, not stated in this SID in connection with issue of Units under the Scheme. Prospective investors are advised not to rely upon any information or representations not incorporated in this SID as the same have not been authorized by the Mutual Fund or the AMC. Any subscription, purchase or sale made by any person on the basis of statements or representations which are not contained in this SID or which are inconsistent with the

Therefore, Purchase Price = Rs. 12.0000 x (1+0.0225) = Rs. 12.2700

For details on load structure please see, Section 'VII. Fees and Expenses, C. Load Structure.'

The Mutual Fund shall ensure that the Purchase Price is not higher than 107% of the NAV, provided that the difference between the Redemption Price and Purchase Price of the Unit shall not exceed the permissible limit of 7% of the Purchase Price, as provided for under SEBI (MF) Regulations.

4. Ongoing price for redemption (sale) /switch outs (to other Schemes/plans of the Mutual Fund)/inter-Plan switching by investors (Redemption Price)

(This is the price you will receive for redemptions/switch outs)

Redemption Price of Units will be calculated on the basis of the Applicable NAV, subject to the Exit Load applicable.

Redemption Price = Applicable NAV x (1 - Exit Load)

Illustration:

Say, Applicable NAV = Rs. 12.0000 and the Exit Load is 0.50%,
Redemption Price = 12 x (1-0.005) = Rs. 11.9400.

For details on load structure please see, Section 'VII. Fees and Expenses, C. Load Structure.'

The Mutual Fund shall ensure that the Redemption Price is not lower than 93% of the NAV, provided that the difference

between the Redemption Price and Purchase Price of the Unit shall not exceed the permissible limit of 7% of the Purchase Price, as provided under SEBI (MF) Regulations.

5. Applicable NAV and Cut-off time

Applicable NAV is the Net Asset Value per Unit at the close of the Business Day on which a valid application is accepted and time stamped. An Application will be considered accepted on a Business Day, subject to it being complete in all respects and received and time stamped upto the relevant cut-off time mentioned below, at any of the official points of acceptance of transactions. Where an application is received and the time stamping is done after the relevant cut-off time the request will be deemed to have been received on the next Business Day.

For applications received via post or courier at any of the centres, the date and time of receipt of the post or courier will not be considered for reckoning the application as having been accepted. An application will be considered accepted only when it is time stamped by the centre.

However, in respect of valid applications with outstation cheques/demand drafts not payable at par at the place where the application is received and time-stamped, closing NAV of the day on which the cheque/demand draft is credited shall be applicable.

Cut-off time

(This is the time before which your application (complete in all respects) should reach the official points of acceptance)

(i) For Purchase and Switch-in:

Where the application is received on any Business Day at the official points of acceptance of transaction along with a local cheque or a demand draft payable at par at the place of submission of the application:

- Upto 3.00 p.m. – NAV of the same day
- After 3.00 p.m. – NAV of the next Business Day

(ii) For Redemption/Switch-out:

Where the application is received on any Business Day at the official points of acceptance of transactions:

- Upto 3.00 p.m. – NAV of the same day
- After 3.00 p.m. – NAV of the next Business Day

Note for switching: Valid switch applications will be considered for processing on the earliest day which is a Business Day for both the 'Switch out' scheme and the 'Switch in' scheme. Applications for 'switch in' shall be treated as purchase applications and the Applicable NAV based on the cut off time for purchase shall be applied. Applications for switch out shall be treated as redemption applications and the Applicable NAV based on the cut off time for redemption shall be applied.

6. Where can the applications for redemption/ switch-out be submitted?

All transaction requests can be submitted at any of the official points of acceptance of transactions, the addresses of which are given at the end of this SID.

7. Allotment

Full allotment will be made to all valid applications received. Allotment to NRIs/FIIs will be subject to RBI approval, if required. Subject to the SEBI (MF) Regulations, the Trustee may reject any application received in case the application

is found invalid/incomplete or for any other reason in the Trustee's sole discretion. All allotments will be provisional, subject to realization of payment instrument and subject to the AMC having been reasonably satisfied about receipt of clear funds. Any redemption or switch out transaction in the interim is liable to be rejected at the sole discretion of the AMC. In case of cheque returns, the Mutual Fund will send the copy of the returned cheque and bank return memo by normal post within 15 days of the Registrar having received, at its registered office, the physical and the return memo. The Mutual Fund will not be responsible for any loss or damage to the applicant on account of any delay in informing him/her/it about the return of the cheque, where such delay is caused by the clearing mechanisms of banks and clearing houses involved in realization of cheques.

It is mandatory for NRIs to attach a copy of the payment cheque/ FIRC/Debit Certificate to ascertain the repatriation status of the amount invested. NRI applicants should also clearly tick on account type as NRE or NRO or FCNR to determine the repatriation status of the investment amount. The AMC and the Registrar may ascertain the repatriation status purely based on the details provided in the application form under 'Investment and payment details' and will not be liable for any incorrect information provided by the applicants. Applicants will have to coordinate with their authorized dealers and banks to repatriate the investment amount as and when needed.

All applications and/or refunds that are rejected for any reason whatsoever will be returned by normal post within 15 days to the address as mentioned by the applicant.

The Mutual Fund reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by him/her/it for purchase of Units.

8. Minimum balance to be maintained and consequences of non maintenance

The minimum balance to be maintained at all times in the Scheme shall be Rs. 5000/-.

The Mutual Fund may, at its discretion and without any notice, redeem the balance Units in the Scheme (in a particular folio), if the value of such balance Units falls below Rs. 5000/- in the case of Regular Plan and Rs. 50,00,000/- in case of Institutional Plan and not less than 6 months have elapsed since his/her/its first investment in the relevant Plan. If an investor makes a redemption request immediately after purchase of Units, the Mutual Fund shall have the right to withhold the redemption request until such time as the Mutual Fund ensures that the amount remitted by the investor (for purchase of Units) is realized and that the proceeds have been credited to the Scheme's Account. However, this is only applicable if the value of redemption is such that some or all of the freshly purchased Units may have to be redeemed to effect the full redemption.

9. Special facilities available

(i) Systematic Investment Plan (SIP)

Investors can, during the Continuous offer period, benefit by investing specific Rupee amounts periodically for a continuous period through SIP. SIP allows investors to invest a fixed amount of Rupees on specific dates every month or quarter by purchasing Units of the Scheme at the Purchase Price prevailing at such time.

Investors can enroll themselves for SIP (minimum 12 installments) by ticking the appropriate box in the application form and filling up the relevant SIP form specifying the amount, period and SIP date as mentioned below:

1. where a monthly SIP is opted for, the SIP Date shall be 1st, 7th, 14th, 21st, or All Four Dates as the case may be, of the month concerned and

2. where a quarterly SIP is opted for, the SIP Date shall be either of 1st, 7th, 14th or 21st, or All Four Dates as the case may be, of the last month of the rolling quarter concerned.

Investors can opt for the SIP facility through various modes of payment, viz. 'post dated cheques', ECS Debit', 'auto debit', 'standing instructions with banks', or any other facility as may be introduced by the AMC from time to time. However, AMC reserves the rights to discontinue any existing payment facility without any prior notice and in such event, AMC will discontinue future SIPs under the said facility and will inform the investors via normal post.

Where the SIP facility is started by way of post dated cheques, the first cheque may be of a date earlier than the SIP date and the AMC may at its discretion based on processing capability, process the first transaction under SIP on a date before the SIP date. If any cheque submitted under an SIP, bears a date different from the SIP date opted for by the investor concerned, and such date succeeds the relevant SIP date, the application is liable to be rejected. However, the Mutual Fund may, at its discretion, process such SIP cheque on the immediately succeeding 1st, 7th, 14th or 21st, of the month concerned/ succeeding quarter, as the case may be.

The AMC may change the terms and conditions for SIP from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing. Also, terms and conditions of various payment facilities will be mentioned in the relevant SIP form.

Units will be allotted at the Applicable NAV as on the SIP Date opted for by the investor. Where such SIP Date is not a Business Day, Units will be allotted at the Applicable NAV of the immediately succeeding Business Day.

On receipt of the SIP form, the Registrar will send a letter to the Unit Holder confirming the registration details of SIP. Also, the first account statement under SIP shall be issued within 10 working days of the initial investment. For details on provision pertaining to issue of account statement, **please see Section, '10. Account Statement.'**

An investor will have the right to discontinue the SIP any time he/she/it so desires, subject to giving 30 days prior notice to the Registrar.

Illustrated below is the mechanism of an SIP, using hypothetical figures. For easy understanding of the investor, the illustration has been worked out assuming nil Entry Load.

"Suppose an investor desires to invest Rs. 1000/- in the Scheme on a monthly basis starting April, he/she/it could opt for a monthly SIP. In this instance, he/she/it will have to invest a minimum total amount of Rs. 12,000/- through twelve installments of Rs. 1000/- each, dated, say, as of the 1st of every month, from April till March.

Month	Amount invested (Rs.)	Applicable NAV based Purchased price on the date of installment (Rs.)	No. of Units Purchased
I	1000	12.0000	83.333
II	1000	15.0000	66.667
III	1000	11.0000	90.909
IV	1000	13.0000	76.923
V	1000	14.0000	71.429
VI	1000	15.0000	66.667
VII	1000	13.0000	76.923
VIII	1000	14.0000	71.429
IX	1000	16.0000	62.500
X	1000	15.0000	66.667
XI	1000	11.0000	90.909
XII	1000	12.0000	83.333
TOTAL	12000		907.689

Average cost per Unit = Rs.13.2203 (Rs.12,000/907.689 Units).

Investors may note that the AMC/Trustee reserves the right to terminate the SIP without any notice, if the limits prescribed by SEBI for overseas investments for the Mutual Fund are exceeded/expected to be exceeded (the current limit for the Mutual Fund is equivalent to US\$ 600 mn.)

(ii) Systematic Withdrawal Plan (SWP)

During the Continuous Offer, a Unit Holder who has a minimum balance of Rs. 25,000/- in the Scheme (in a particular folio) may, through SWP, receive regular payments by way of withdrawals from the Scheme (in the said folio) on a weekly, monthly or quarterly basis and the request should be for at least 6 such withdrawals. A Unit holder may avail of SWP by ticking the appropriate box in the application form and filling up the SWP form, specifying the 'SWP Date' and period. The SWP enrolment will be registered within 3 days of receipt at the office of the Registrar in Chennai. Where the mode of holding is "any one or survivor", any of the joint holders may issue an SWP instruction, as above, and such instruction shall be binding on all the joint owners.

To start an SWP, the Unit Holder should submit the SWP form atleast 7 days prior to the first desired SWP date. To discontinue the SWP, the Unit Holder should provide atleast 30 days written notice to the Registrar at its office in Chennai.

A Unit Holder who opts for an SWP has the choice of withdrawing (i) a fixed amount or (ii) an amount equal to the periodic appreciation on his/her/its investment in the Scheme, as detailed below:

i) Fixed Amount

Under this alternative, a Unit Holder may withdraw a fixed amount of at least Rs. 1000/- per transaction and the 'SWP Date' for the withdrawal will be as under. However, the first withdrawal may be of a date earlier than the SWP Date and the AMC may at its discretion based on processing capability, process the first transaction under SWP on a date before the SWP Date.

a. where a weekly SWP is opted for, the SWP Date shall be the 1st, 7th, 14th and 21st, for the period concerned

b. where a monthly SWP is opted for, the SWP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the month concerned and

c. where a quarterly SWP is opted for, the SWP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the last month of the rolling quarter concerned.

ii) Appreciation

Under this alternative, a Unit Holder may withdraw on a weekly, monthly or quarterly basis, an amount equal to the weekly, monthly or quarterly appreciation, as the case may be, on his/her/its investment in the Scheme, provided the appreciation is at least Rs. 1000/-. Therefore, the number of Units redeemed will be in proportion to the appreciation in investment over the week, month or quarter concerned, as the case may be. Where, in any week, month or quarter, there is no appreciation in investment, or the appreciation is less than Rs. 1000/-, the withdrawal, as mentioned above, will not be carried out.

The 'SWP Date' under this alternative will be as under. However, the first withdrawal may be of a date earlier than the SWP Date and the AMC may at its discretion based on processing capability, process the first transaction under SWP on a date before the SWP Date.

a. where a weekly SWP is opted for, the SWP Date shall be the 1st, 7th, 14th and 21st, for the period concerned

b. where a monthly SWP is opted for, the SWP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the month concerned and

c. where a quarterly SWP is opted for, the SWP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the last month of the rolling quarter concerned.

In case the SWP Date happens to be a non-Business Day, the transaction will be processed on the immediately succeeding Business Day. A Unit Holder will have the right to discontinue/modify the SWP any time he/she/it so desires, subject to giving 30 days prior notice to the Registrar. The Mutual Fund may terminate the SWP, if all the Units concerned are liquidated or withdrawn from the account or pledged or upon the Mutual Fund's receipt of notification of death or incapacity of the Unit Holder. In addition to the above, the Mutual Fund may, at its discretion and without any notice, redeem the balance Units in the Scheme (in a particular folio) if the value of the balance Units in the Scheme (in a particular folio) falls below Rs. 5000/- in the case of Regular Plan and Rs. 50,00,000/- in the case of Institutional Plan and at least 6 months have elapsed since his/her/its first investment in the Scheme. The Investment Manager may change the rules relating to this facility from time to time.

Illustrated below is the mechanism of an SWP, using hypothetical figures. For easy understanding of the investor, the illustrations have been worked out assuming nil entry and exit loads.

(i) Fixed Amount

Suppose a Unit Holder desires to withdraw a fixed amount of Rs.2000/- from the Scheme on the 1st of each month, for a period of 6 months starting September, he/she/it could opt for a monthly SWP as follows:

Date	Opening Balance of Units (a)	Redemption Price on the Date of Redemption (Rs.) (b)	Amount Redeemed (Rs.) (c)	No. of Units Redeemed (d) = (c/b)	Closing Balance of Units (e) = (a-d)

(ii) Appreciation

Suppose a Unit Holder who has invested 5000 Units in the Scheme, the value of which at an NAV of Rs. 22.0000 is Rs. 110,000.00 on 1st August, desires to withdraw the monthly appreciation on such investment for a period of 6 months starting 1st September, he/she/it could opt for a monthly SWP, as under:

Date	Opening Balance of Units (a)	NAV on the Date of Redemption (Rs.) (b)	Value on the Date of Redemption (Rs.) (c) = (a*b)	Amount Redeemed (Rs.) (d) = (c- Rs. 110,000)	No. of Units Redeemed (e) = (d/b)	Closing Balance of Units (f) = (a-e)	Value after the Redemption (Rs.) (g) = (f)*(b)

(iii) Systematic Transfer Plan (STP)

During the Continuous Offer, a Unit Holder who has a minimum balance of Rs. 25,000/- in the Scheme (in a particular folio) may transfer, through STP, part of his/her/its investment in the Scheme (in the said folio) into any other scheme of the Mutual Fund on a weekly, monthly or quarterly basis, and the request should be for at least 6 such transfers. The transfer will be effected by way of a switch, i.e. redemption of Units from the Scheme and investment of the proceeds thereof, in the other scheme, at the then prevailing terms of both schemes. Therefore, all provisions pertaining to Inter-scheme switching will apply to an STP (**Please refer to “Switching” for detailed provisions on switching**). Also, all provisions pertaining to Entry and Exit load in an STP transaction will be same as applicable for purchase or redemption of investment made through SIP. All transactions by way of STP shall, however, be subject to the terms (other than minimum application amount) of the target scheme.

A Unit Holder may avail of STP by ticking the appropriate box in the application form and filling up the STP form, specifying the 'STP Date' and period and the STP enrolment will be registered within 7 days of receipt at the office of the Registrar in Chennai. Where the mode of holding is “any one or survivor”, any of the joint holders may issue a STP instruction, as above, and such instruction shall be binding on all the joint owners.

To start an STP, the Unit Holder should submit the STP form at least 7 days prior to the desired STP date. To discontinue the STP, the Unit Holder should provide at least 30 days written notice to the Registrar at its office in Chennai.

A Unit Holder who opts for an STP has the choice of switching (i) a fixed amount or (ii) an amount equal to the periodic appreciation on his/her/its investment in the Scheme from which the transfer is sought, as detailed below:

i) Fixed Amount

Under this alternative, a Unit Holder may switch a fixed amount of at least Rs. 1000/- per transaction and the 'STP Date' for the switch will be as under. However, the first transfer may be of a date earlier than the STP Date and the AMC may at its discretion based on processing capability, process the first transaction under STP on a date before the STP Date.

a. where a weekly STP is opted for, the STP Date shall be the 1st, 7th, 14th and 21st, for the period concerned

b. where a monthly STP is opted for, the STP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the month concerned and

c. where a quarterly STP is opted for, the STP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the last month of the rolling quarter concerned.

ii) Appreciation

Under this alternative, a Unit Holder may switch on a weekly, monthly or quarterly basis, an amount equal to the weekly, monthly or quarterly appreciation, as the case may be, on his/her/its investment in the Scheme from which transfer is sought, provided the appreciation is at least Rs. 1000/-. Therefore, the number of Units transferred will be in proportion to the appreciation in investment over the week, month or quarter concerned, as the case may be. Where, in any week, month or quarter, there is no appreciation in investment, or the appreciation is less than Rs. 1000/-, the switch, as mentioned above, will not be carried out.

The 'STP Date' under this alternative will be as under. However, the first transfer may be of a date earlier than the STP Date and the AMC may at its discretion based on processing capability, process the first transaction under STP on a date before the STP Date.

a) where a weekly STP is opted for, the STP Date shall be the 1st, 7th, 14th and 21st, for the period concerned

b) where a monthly STP is opted for, the STP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the month concerned and

c) where a quarterly STP is opted for, the STP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the last month of the rolling quarter concerned.

In case the STP Date happens to be a non-Business Day, the transaction will be processed on the day which is the immediately succeeding Business Day for both the schemes. The Mutual Fund may terminate the STP, if all the Units concerned are liquidated or withdrawn from the account or pledged or upon the Mutual Fund's receipt of notification of death or incapacity of the Unit Holder. In addition to the above, the Mutual Fund may, at its discretion and without any notice, redeem the balance Units in the Scheme (in a particular folio) if the value of the balance Units in the Scheme (in that particular folio) falls below Rs. 5000/- in the case of Regular Plan and Rs. 50,00,000 in the case of Institutional Plan, and at least 6 months have elapsed since his/her/its first investment in the Scheme.

The Investment Manager may change the rules relating to this facility from time to time. Unit Holders are requested to read the SID of the respective schemes to which STPs are requested before indicating the choice of STP.

The AMC/Trustee reserves the right to terminate the STP into the Scheme without any notice, if the limits prescribed by SEBI for overseas investments for the Mutual Fund are exceeded/expected to be exceeded (the current limit for the Mutual Fund is equivalent to US\$ 600 mn.).

Illustrated below is the mechanism of an STP, using hypothetical figures. For easy understanding of the investor, the illustrations have been worked out assuming nil entry and exit loads.

(ii) SWP and STP facilities are available/applicable to investors in each plan of the Scheme.

(iv) Switching

A switch has the effect of redemption from one scheme/plan/option and purchase in the other scheme/plan/option to which the switching has been done. During the Continuous Offer, Unit Holders can switch their Units from the Scheme into any other scheme of the Mutual Fund (i.e. switch out) and investors can switch their Units in any other scheme of the Mutual Fund into the Scheme (i.e. switch in).

To effect a switch, a Unit Holder must provide clear instructions. Such instructions may be provided in writing or by completing the transaction slip/form attached to the account statement or telephonically, by providing PIN number. The switch request can be made for any amount of Rs. 500/- or more. A Unit Holder may request for switch of a specified amount or a specified number of Units only. If the Unit Holder has specified both the amount (in Rs.) and the number of Units, switch out of units will be carried out based on the number of units specified by the Unit Holder.

Valid switch applications received and time-stamped upto the relevant cut-off time on any Business Day will be considered accepted on that Business Day, subject to the request being complete in all respects and provided the day is a Business Day for both the switch in and switch out schemes. When a switching request is received after the relevant cut - off time, the request will be deemed to have been received on the next day which is a Business Day for both the schemes. The switch will be effected by way of redemption of Units of the relevant scheme/plan/option and reinvestment of the redemption proceeds in the other scheme/plan/option selected by the Unit Holder on the prevailing terms of the said scheme/plan/option. Applications for 'switch-in' shall be treated as purchase applications and the Applicable NAV based on the cut-off time for purchase shall be applied. Applications for 'Switch-out' shall be treated as redemption applications and the Applicable NAV based on the cut off time for redemption shall be applied. Investors may note that no entry load will be levied on direct applications for switch-in transactions in the Scheme. For details please refer **'Section VII – Fees and Expenses, D. Waiver of Load for Direct Applications'**.

All allotments will be provisional, subject to realization of payment instrument and subject to the AMC having been reasonably satisfied that the Mutual Fund has received clear funds. Any redemption or switch-out transaction in the interim is liable to be rejected at the sole discretion of the AMC.

An account statement reflecting the new holding will be dispatched to the Unit Holder within 3 Business Days of the completion of the switch transaction. For details on provision pertaining to despatch of account statement, please see **'10. Account Statement'**.

- The Mutual Fund or the Registrar shall not take any liability or responsibility arising out of the unauthorized usage of the PIN or unauthorized transactions conducted by using the PIN facility. All transactions with the use of the PIN will be the sole responsibility of the Unit Holder(s). The Unit Holder(s) shall indemnify the Registrar, the Mutual Fund and/or the AMC for all liabilities, losses, damages and expenses which they may sustain or incur directly or indirectly as a result of:

Unit Holder (s) should report the loss of the PIN immediately upon discovery of such an event.
- In the event of loss of PIN by the Unit Holder or due to Unit Holder having forgotten the PIN, a request for issue of a duplicate PIN shall be considered only on receipt of a written request from the Unit Holder, subject to signature verification/validation.
- The Unit Holder(s) shall take complete responsibility for all transactions conducted by using the PIN and the Unit Holder(s) will abide by the record of transactions generated by the Mutual Fund or the Registrar.
- The Mutual Fund may, at its absolute discretion, issue a new PIN to Unit Holder(s) on these terms and conditions or such terms and conditions as the Mutual Fund may deem fit. The Mutual Fund may also discontinue this facility at any time in future or make changes in terms and conditions for telephone/internet transactions without assigning any reasons thereof and the Unit Holder agrees to be bound by the same.

- The Unit Holder(s) shall give a 30 days notice to the Registrar in writing if he/she/it/they wish to terminate this facility.

(vi) Pledge of Units for Loans

Units can be pledged by the Unit Holders as security for raising loans, subject to any rules/restrictions that the Trustee may prescribe from time to time. The Registrar will take note of such pledge/charge in his records. A standard form for this purpose is available on request at any of the official points of acceptance of transactions.

10. Account Statements

- The AMC shall issue to the investor whose application (other than SIP/STP) has been accepted, an account statement by normal post, specifying the number of units allotted. The account statement will be sent within 5 Business Days from the date of allotment of Units, after new/additional purchases are made. However, when additional Units are issued on account of the dividend which is to be reinvested under the sub-option, "Dividend Reinvest", an account statement will be dispatched to all such Unit Holders within 25 Business Days of declaration of dividend.
- In case of redemption/switch request made by a Unit Holder, an account statement will be sent within 3 Business Days from the date of such acceptance or from the date of Applicable NAV, whichever is later. However, when additional Units are issued on account of dividends, which are to be reinvested under the Option, "Reinvest Dividend", an Account Statement will be despatched to such Unit Holder(s) within 25 Business Days of declaration of dividend.
- The account statement sent within the time frame mentioned above is provisional and is subject to realisation of payment instrument and/or verification of documents, including the application form, by the Registrar/AMC. In the case of any change in the account statement, a separate communication with a revised account statement will be sent to the investor within 15 Business Days from the date of transaction.
- For Unit Holders who have provided an e-mail address, the AMC will send the account statement by e-mail.
- The Unit Holder may request for a physical account statement by writing to/calling the AMC/Registrar.

For SIP/STP/SWP transactions:

- Account statement for SIP, STP and SWP will be despatched once every quarter ending March, June, September and December within 10 working days of the end of the respective quarter.
- A soft copy of the account statement shall be mailed to the investors under SIP/STP to their e-mail address on a monthly basis, if so mandated.
- However, the first account statement under SIP/STP shall be issued within 10 working days of the initial investment/transfer.
- In case of specific request received from the investors, the account statement (SIP/STP) shall be sent to the investors within 5 working days from the receipt of such request without any charges.

Annual Account Statement:

- In the interest of investors, account statements shall also be provided to Unit Holders who have not transacted during the last six months prior to the date of generation of account statements. The Account Statement shall reflect the latest closing balance and value of the Units prior to the date of generation of the account statement.
- The account statements in such cases may be generated and issued along with the Portfolio Statement or Annual Report of the schemes.

- Alternately, a soft copy of the account statements shall be mailed to the investors' e-mail address, instead of physical statement, if so mandated.

Account Statements shall be non-transferable. They shall not be construed as proof of title and are only computer printed statements indicating the details of transactions under the Scheme during the current financial year and giving the closing balance of Units for the information of the Unit Holder.

Further, the Trustee also reserves the right to issue trade Confirmation Slips on an ongoing basis in lieu of account statements, indicating the price and the Units debited or credited to the account of the investor, along with the closing balance of the Account. Under this system a periodical statement of holdings of the investors in the Scheme will be given. Non-transferable Unit Certificates will be sent, if an applicant so desires, within six weeks of the receipt of a request for the certificate. Unit Certificates will not be issued for any fractional Units entitlement. Units held, either in the form of account statement or Unit Certificates, are non-transferable. The Trustee reserves the right to make the Units transferable at a later date subject to SEBI (MF) Regulations issued from time to time.

11. Dividend Warrants

Dividend warrants shall be dispatched to the Unit Holders within 30 days of the date of declaration of the dividend.

12. Redemption

Units can be redeemed (sold back to the Mutual Fund) at the relevant Redemption Price. The redemption requests can be made on the pre-printed forms (transaction slip/common transaction form) or by using the form at the bottom of the account statement. The redemption request can be submitted at any of the Official Points of Acceptance of transaction, the details of which are mentioned at the end of this SID. As all allotments are provisional, subject to realization of payment instrument and subject to the AMC having been reasonably satisfied that the Mutual Fund has received clear funds, any redemption or switch out transaction in the interim is liable to be rejected at the sole discretion of the AMC.

The Redemption request can be made for any amount of Rs. 500/- or more. A Unit Holder may request redemption of a specified amount or a specified number of Units only. If the redemption request is made for a specified amount and the number of Units is also specified by the Unit Holder, the number of Units specified will be considered for deciding the redemption amount. Unit Holders may also request for redemption of their entire holding and close the account by indicating the same at an appropriate place in the transaction slip/common transaction slip.

In case an investor has purchased Units on more than one day (either under the NFO period or through subsequent purchase) the Units purchased first (i.e. those Units which have been held for the longest period of time), will be deemed to have been redeemed first, i.e. on a First-In-First-Out basis.

In case the Units are standing in the names of more than one Unit Holder, where mode of holding is specified as 'Joint', redemption requests will have to be signed by all joint holders. However, in cases of holding specified as 'Anyone or Survivor', any one of the Units Holders will have the power to make redemption requests, without it being necessary for all the

Unit Holders to sign. However, in all cases, the proceeds of the redemption will be paid to the first-named holder only.

Redemption or repurchase proceeds shall be dispatched to Unit Holders within 10 working days from the date of redemption or repurchase. However, under normal circumstances, the Mutual Fund will endeavour to despatch the redemption proceeds, by courier, where such facilities are available, within 5 Business Days from the date of acceptance of the redemption request at any of the official points of acceptance of transaction. The Mutual Fund, however reserves the right to despatch the redemption proceeds beyond 5 Business Days, in the case of a change in bank mandate request being received, either along with the redemption request or within 10 days before the submission of redemption request. Unit Holders are therefore, encouraged and advised to submit their requests for change in bank mandate atleast 10 days prior to date of redemption / dividend payment, if any. The AMC reserves the right to extend/ modify the timelines on a case to case basis.

The redemption cheque will be issued in favour of the sole/ first Unit Holder's registered name and bank account number, if provided, and will be sent to the registered address of the sole/first Holder as indicated in the original application form. The redemption cheque/demand draft will be payable at par at all the places where the official points of acceptance of transaction are located. Bank charges for collection of cheques at all other places will be borne by the Unit Holder. For redemptions of amounts above Rs. 5,000/-, the cheques will be sent by courier (where such facilities are available). With a view to safeguarding their interest, it is desirable that Unit Holders indicate their Bank Account No., name of the bank and branch in the application for purchasing Units of the Scheme. A fresh account statement will also be sent to redeeming investors, indicating the new balance to the credit in the account, along with the redemption cheque.

The Mutual Fund may, at its discretion and without any notice, redeem the balance Units in the Scheme (in a particular folio) if the value of the balance Units in the Scheme (in a particular folio) falls below Rs. 5000/- in the case of Regular Plan and Rs. 50,00,000/- in the case of Institutional Plan and at least 6 months have elapsed since his/her/its first investment in the Scheme.

If a Unit Holder makes a redemption request immediately after purchase of Units, the Mutual Fund shall have the right to withhold the redemption request until such time as the Mutual Fund ensures that the amount remitted by him (for purchase of Units) is realized and the proceeds have been credited to the Schemes' Account. However, this is only applicable if the value of redemption is such that some or all of the freshly purchased Units may have to be redeemed to effect the full redemption. The proceeds towards redemptions and dividends will be dispatched by a reasonable mode of despatch like courier, post, UCP, etc. in case of cheque/demand draft or directly credited to the bank account (as per the details mentioned by the investor) in case of direct credit facility, entirely and solely at the risk of the investor. The Mutual Fund will endeavour to remit redemption proceeds via electronic means, as made available by RBI. Where such electronic means are not available or feasible under any circumstances, the Mutual Fund will remit the redemption proceeds by way of cheques. The investor will not hold the Mutual Fund or the AMC or the Registrar responsible for any non-receipt or delay of receipt of redemption & dividend proceeds due to any negligence or deficiency in service by the courier company, postal authorities or the bank executing direct credits, or due to incorrect bank

account details provided by the investor.

Redemption by NRIs and FIIs

Credit balances in the account of an NRI/FII investor may be redeemed by such investors in accordance with the procedure described above and subject to the procedures laid down by RBI, if any. Such redemption proceeds will be paid by means of a Rupee cheque payable to the NRI's/FIIs or by a foreign currency draft drawn at the then rates of exchange less bank charges, subject to RBI procedures and approvals.

Effect of Redemption

On redemption, the unit capital and reserves will stand reduced by an amount equivalent to the product of the number of Units redeemed and the Redemption Price as on the date of redemption. Units once redeemed will be extinguished and will not be re-issued.

Fractional Units

Since a request for purchase is generally made in Rupee amounts and not in terms of number of Units of the Schemes, a Unit Holder may be left with fractional Units. Fractional Units will be computed and accounted for up to three decimal places. However, fractional Units will, in no way, affect the Unit Holder's ability to redeem the Units, either in part or in full,

standing to his/her/its credit.

13. Delay in payment of redemption / repurchase proceeds

As per SEBI (MF) Regulations, the Mutual Fund shall despatch the redemption proceeds within 10 Business Days from the date of acceptance of redemption request. In the event of delay/failure to despatch the redemption/repurchase proceeds within the aforesaid 10 Business Days, the AMC will be liable to pay interest to the Unit Holders at such rate as may be specified by SEBI for the period of such delay (currently @ 15% per annum).

14. Bank Mandate

It is mandatory for every applicant to provide the name of the bank, branch, address, account type and number as per requirements laid down by SEBI and any other requirements stated in the Application Form without these details, the application will be treated as incomplete. Such incomplete applications are liable to be rejected by the Registrar/AMC. Also, the investor may be asked to provide a blank cancelled cheque or its photocopy, for the purpose of verifying the bank account number.

D. COMPUTATION OF NAV

NAV of Units under the Scheme/Plan may be calculated by either of the following methods shown below:

$$\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme/Plan's investments} + \text{Current Assets} - \text{Current Liabilities and Provisions}}{\text{No. of Units outstanding under the Scheme/Plan}}$$

Or

$$\text{NAV (Rs.)} = \frac{\text{Unit Capital} + \text{Reserves and Surplus}}{\text{No. of Units outstanding under the Scheme/Plan}}$$

N.B. The aforesaid provisions pertaining to "Calculation of NAV", shall apply in respect of the Scheme and/or each individual Plan, as the case may be.

The NAVs will be calculated as of the close of every Business Day and rounded off to four decimal places. The valuation of the Scheme's assets and calculation of the Scheme's NAV shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.

The first NAV will be calculated and announced within a period of 30 days after the close of the NFO period. Subsequently, the NAV will be announced on each Business Day.

Note: There will be more than one NAV under each Plan, one for each option, after the declaration of the first dividend.

SECTION VII - FEES AND EXPENSES

This section outlines the expenses that will be charged to the Scheme.

A. NFO EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid, marketing and advertising, registrar expenses, printing and stationary, bank charges etc.

As per SEBI circular SEBI/IMD/CIR No.1/64057/06 dated April 4, 2006, open ended schemes are not permitted to charge NFO expenses to the scheme. The Entry Load collected during the NFO period shall be utilized to meet the NFO expenses and the remainder of the NFO expenses, if any, shall be borne by the AMC. Hence, the estimated NFO expenses, as a percentage of the resources mobilized in the NFO, is not disclosed and under the current load structure, the amount available to the scheme will be as under :

For purchase amount less than Rs. 5 crore – For each Rs.100/- received from the Unit Holders – Rs. 97.80/- (Rs. 100 Less 2.25% Entry Load).

For purchase amount of Rs. 5 crore and above – For each Rs.100/- received from the Unit Holders – the entire Rs. 100/-.

As the NFO Expenses are not being charged to the Scheme, the entire amount made available to the Scheme, as explained above, will be available for investment.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 0.75% of the average weekly net assets of the Scheme, will be charged to the Scheme as expenses.

For actual current expenses being charged, the investor should refer to the website of the Mutual Fund.

The ongoing fees and expenses of operating the Scheme on an annual basis are estimated to be as follows:

#The AMC will enter into a revenue sharing arrangement with BlackRock, for sharing the investment management fee charged by BlackRock for managing BGF – WEF and BGF - NEF.

*The Trusteeship fees as per the provisions of the Trust Deed are subject to a maximum of 0.02% of the average net Trust Funds per annum. It has been decided by the Trustee to charge the Trusteeship Fees in proportion to the net assets of each of the schemes of the Mutual Fund. The Trustee reserves the right to change the method of allocation of Trusteeship fees among various schemes, from time to time.

These estimates have been made in good faith as per the information available to the AMC, and the total expenses may be more than as specified in the table above. Expenses over and above the presently permitted regulatory limit of 0.75%, will be borne by the AMC.

The purpose of the above table is to assist the investor in understanding the various costs & expenses that an investor in the Scheme will bear directly or indirectly.

Total annual recurring expenses over and above what is mentioned above will be borne by the AMC. The above individual expenses are subject to inter-se change and may increase/decrease as per actuals within the total annual recurring expenses limit. The expenses are also subject to change on account of any change in SEBI (MF) Regulations.

Apart from these expenses, any other expenses which are directly attributable to the Scheme, except those expenses which are specifically prohibited, may be charged with the approval of the Trustee within the overall limits specified in the SEBI (MF) Regulations. The annual total of all charges and expenses of the Scheme, including investment management and advisory fees, but excluding brokerage, commissions, stamp duties and other (transaction) expenses, if any, directly associated with the purchase, sale and registration of transfer, if applicable, of the Scheme's investment/securities and except for expenses associated with the NFO of the Units under the Scheme and also except expenses which are directly met/set off against sale, are subject to the limit of 0.75% of the weekly average net assets.

As required by SEBI Circular MFD/CIR No. 04/11488/2003 dated June 12, 2003 investors are informed that they shall bear the recurring expenses of the Scheme in addition to the expenses of the underlying scheme(s) in which the Scheme will make investment.

Further, in terms of SEBI Circular SEBI/IMD/CIR No.7/104753/07, dated September 26, 2007, the management fees and other expenses charged by the mutual fund(s) in foreign countries along with the management fee and recurring expenses charged to the domestic mutual fund scheme shall not exceed the total limits on expenses as prescribed under Regulation 52(6), as under:

On the first Rs.100 Crore of the average weekly net assets	2.50%
On the next Rs.300 Crore of the average weekly net assets	2.25%
On the next Rs.300 Crore of the average weekly net assets	2.00%
On the balance of the assets	1.75%

The domestic Scheme, however, will not charge more than 0.75% as a part of its own recurring expenses. Overall, the AMC will charge expenses subject to the statutory limits prescribed under Regulation 52(6). Any expenses in excess of these limits will be borne by AMC.

The above is the maximum limit under the Proviso to Regulation 52(6) of the SEBI (MF) Regulations, 1996 and includes investment management and advisory fees. The AMC will strive to reduce the level of these expenses so as to keep them well within the maximum limit allowed by SEBI, and expenses in excess of the above limit shall be borne by AMC.

C. LOAD STRUCTURE

This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, investors may refer the website of the AMC www.dspblackrock.com or call at 1800-345-44-99 (toll free) or may contact their distributor.

Exit Load (as a % of Applicable NAV)	Holding period from date of allotment : < 6 months : 1.00% ≥ 6 months but < 12 months : 0.50% ≥ 12 months : NIL	NIL

Note on load exemptions:

(i) Entry and Exit Load (where applicable) will not be charged in case of switch between DSPBRWEF, DSP BlackRock Balanced Fund (DSPBRBaF), DSP BlackRock World Gold Fund (DSPBRWGF), and any of the equity oriented/fund of funds schemes of the Mutual Fund.

(ii) There will be no Entry Load and Exit Load on inter-option/inter-plan switching.

(iii) No entry/exit load will be charged on investments by Fund of Funds schemes into the schemes of the Mutual Fund.

(iv) No load will be charged on issue of bonus Units and Units allotted on reinvestment of dividend for existing as well as prospective investors.

For the purpose of calculating the Entry Load, each purchase transaction made into the Scheme/relevant option of the Scheme will be tracked separately. The Entry Load collected during the NFO period will be utilised towards meeting the NFO expenses and all loads collected during the continuous offer are intended to enable the AMC recover expenses incurred for promotion or distribution and sales of the Scheme. All loads for the Scheme will be retained in the Scheme in a separate account and will be utilized to meet the selling and distribution expenses or such other expenses as permitted by SEBI. Any surplus in this account may be credited to the Scheme within one year from the end of the financial year in which the Load has been charged.

Investors may note that the Trustee has the right to modify the existing load structure, subject to maximum as prescribed under the SEBI (MF) Regulations. Any imposition or enhancement in the load shall be applicable on prospective investments only. At the time of changing the load structure, the AMC will adopt the following measures:

(i) Addendum detailing the changes will be attached to the SID and Key Information Memorandum (KIM). The addendum may be circulated to all distributors/brokers so that the same can be attached to all SIDs and KIMs already in stock.

(ii) Arrangements will be made to display the changes to the SID in the form of a notice in all the ISCs/offices of the AMC/Registrar.

(iii) A public notice will be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.

(iv) The introduction of the Exit Load along with the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and will also be disclosed in the statement of accounts issued after the introduction of such load.

Investors are advised to contact any of the Investor Service Centers or the AMC to know the latest position on Exit Load structure prior to investing in the Scheme.

No Exit Load will be charged, if the Units are redeemed at the discretion of the Mutual Fund, where the value of the balance Units in the Scheme/Plan (in a particular folio) falls below Rs. 5,000/- in case of Regular Plan and Rs. 50,00,000/- in case of Institutional Plan and at least 6 months have elapsed since his/her/its first investment in the Scheme/Plan.

D. WAIVER OF LOAD FOR DIRECT APPLICATIONS

No entry load will be levied on 'Direct Applications' for first time purchase, subsequent purchase, SIP, STP and switch-in transactions in the Scheme. Direct applications, for this purpose, shall mean applications which are not routed through a distributor/agent/broker, and received at the ISCs/collection centres/official points of acceptance of the AMC or the Registrar. In the case of subsequent purchase/ switch-in/ STP into the Scheme, investors have to effect the transaction under the same folio directly, i.e. without any distributor/agent/broker code, in order to avail of this waiver of entry load.

Investors are required to note that for all first time purchase, subsequent purchase, SIP, STP and switch-in transactions, where the application is routed through a distributor/agent/broker, they shall mention the broker code on the application form or transaction slip, as the case may be, and where the

application is not so routed, they shall mark the field for distributor/agent/broker code as 'Direct'. In other words, investors shall ensure that the field for broker code is not left blank; if the field is left blank, the application will be treated as 'Direct'. Investors, who intend to invest directly by using an application form/transaction slip with a pre-printed distributor/agent/broker code, shall either strike off the code or replace the code with 'Direct' and, in both cases, shall necessarily countersign the same, so that their application is treated as 'Direct'.

For details of official points of acceptance where application forms can be submitted by investors, please see the back cover page of this SID.
